

# RAILBELGRADE 2023

Belgrade, Serbia, April 25th - 28th, 2023

## CALL FOR PAPERS ■■■

The 10th International Conference on Railway Operations Modelling and Analysis (ICROMA) - RailBelgrade 2023 **will be held in Belgrade on April 25th - 28th 2023.**

RailBelgrade 2023 will promote interdisciplinary discussions in the railway planning and operations research area by combining the expertise of academics and professionals. It will give researchers, consultants, and industrial practitioners the opportunity to meet, present their latest research, exchange know-how, and discuss current developments and applications. Leading railway scientists from different disciplines and professionals from the railway industry will deliver keynote speeches.

The best research papers will be announced and published in a special issue of the Journal of Rail Transport Planning & Management. The Young Research Award will be awarded to outstanding young researchers and professionals who present their excellent papers on innovative research.

Submission system open: **September 1st, 2022**

Deadline of paper submission: **November 20th, 2022**

Notification of paper acceptance: **February 1st, 2023**
